cepicat

Industrial Brushes.

Who We Are

Cepicat is a industrial brush-maker company. We produce thousands of imaginative brushes, and we're a leader in scores of markets - from stone and ceramic to cleaning and textile. Our success begins with our ability to apply our technologies - often in combination - to an endless array of real-world customer needs. Of course, all of this is made possible by the people of cepicat and their singular commitment to make life easier and better for people around the industry.

—

Our Values

Act with uncompromising honesty and integrity in everything we do. Satisfy our customers with innovative technology and superior quality, value and service.

Provide our investors an attractive return through sustainable, global growth.

Respect our social and physical environment around the world. Value and develop our employees' diverse talents, initiate and leadership. Earn the admiration of all those associated with CEPICAT worldwide.
